

Directions to the US Bank Parking Structure

To US Bank Structure Parking

From I-794 EB

- 1 Follow I-794 EB to Van Buren St exit ramp
- 2 From the Van Buren St ramp make a right onto Clybourn St (The right turn lane on the ramp has construction cones, but you can still make the turn)
- 3 Follow Clybourn St East to the median opening and make a left into the US Bank parking structure (Construction on the median is in progress, so you may need to cross between the construction barrels)

To US Bank Structure Parking

From I-794 NB

- 1 Follow I-794 NB to the Lincoln Memorial Drive ramp
- 2 Stay in the right lane and follow the ramp to the first intersection (Michigan Ave) and make a right turn toward Discovery World.
- 3 Make a U-Turn at the first opening in the median and stay in the left lane.
- 4 Make a left onto Lincoln Memorial Drive headed back South and immediately get into the right lane.
- 5 Follow the construction signs and make the first right onto Clybourn St
- 6 The US Bank Structure entrance is on the right

Walking Instructions from the Structure to the US Bank Building – Signs will be posted

- Take the stairs or elevator to the 4th floor and head north out of the elevator
- Use the door on the right and the double set of doors to enter the 833 Building hallway
- Turn left and continue north through 833 building hallway – Hotel construction will be out the windows on left
- Make a left through the automatic glass doors and cross over the skywalk to the US Bank building
- Proceed down the hall to your left and make the first right toward the US Bank Galleria level
- Continue by the Security desk and find the bank of elevators on your left for floors 19-30
- Take the elevator to the 29th Floor
